

10 reasons why art is good for you and your home or office

- 1 Artwork can help to define the space and set the tone for the room.
- 2 It can create visual interest and add complexity to an otherwise plain wall.
- 3 It can help to make a small room feel larger or a large room feel more intimate.
- 4 It can act as a focal point in the space and draw attention to certain areas.
- 5 Particularly enticing and beautiful art can also give you a dopamine boost.
- 6 Art is a form of expression of your personality and your taste or your brand.
- 7 Certain types of art can be educational, add inspiration or boost creativity.
- 8 It can act as a focal point in the space and draw attention to certain areas.
- 9 Art can give you freedom and allows you to lose yourself for a moment.
- 10 It can act as a fantastic conversation starter.
